About Crystal Run Village:

Crystal Run Village is a private not-for-profit organization that provides services and opportunities for people with developmental and other disabilities so that they may live fully and well in their communities of choice with family, friends, co-workers and neighbors. People of all ages are provided with support at home, at their jobs or day programs, at school and in their personal activities by an engaged well-trained Direct Support Professional workforce.

Crystal Run Village was founded in 1959 as a summer camp for children and eventually transitioned and expanded to a residential school with two additional locations. Today, the agency employs over 800 people. Its administrative offices are still located at the original site of the camp on Stony Ford Road in Middletown, NY.
