

Eligibility Packet Cover Sheet Hudson Valley

For: _____ **Date:** _____
Individual's Name

Please include all the materials as indicated below. Please note incomplete packets will be returned to you.

- Completed Transmittal Form (include correct spelling of name, correct Social Security Number, and correct date of birth)
- A medical assessment including a physical evaluation completed within 1 year.
- A current psychological evaluation (such as a WAIS-IV, WISC-IV, WIPPSI, Stanford Binet V, C-TONI-II, Leiter-R).
- Current adaptive behavior information:
 - * For psychiatrically stable adults and children whose IQ falls below 60, an adaptive behavior assessment or clinical report of functional skills status completed within the past 3 years is acceptable.
 - * For psychiatrically stable applicants with a Full Scale IQ of 60 or greater a standardized measure of adaptive functioning (such as the Vineland II or ABAS II) typically completed within 1 year for children and within the past 1-2 years for adults.
- A current psychosocial history including birth and developmental history.
- Clinical information completed prior to the age of 22 documenting the presence of a qualifying condition in the absence of an intellectual disability (i.e., neurological evaluation, genetic testing, developmental pediatric evaluation, imaging or EEG reports, comprehensive ASD-specific assessment)
